UNSW-ES BULLDOGS

The UNSW/ES Bulldogs is an AFL club based in the Eastern Suburbs of Sydney, and affiliated with the University of New South Wales.

We value honesty, respect, unity and accountability and expect our players, coaches, supporters and volunteers to embrace and support these attributes.

We have seven teams competing in the Sydney AFL, including Premier Division Men and Women, Reserve Grade Men and Women, U19s and two lower division teams.

Our vision is to be the Club of Choice, which is underpinned by our purpose to provide development pathways for all players, and ensure sustainable on field and off field success.
